This beach house is moments from the village, Diamond Bay, foreshore, and the Sailing Club. Under a skillion roofline, a fresh relaxed aesthetic is presented with Baltic pine floors, sisal carpet, louvre windows, French doors, sublime gallery-style kitchen and a series of beautifully lit spaces to unwind. A large, light-filled, open area accommodates the kitchen, dining and living embraced by a master retreat plus ensuite, generous second bedroom and classic family bathroom. Adjoining the hub of the home is an additional living space and third bedroom. Outdoors, a sheltered terrace, solar-heated pool, level lawn and rear parking bay via Ralphs Avenue, complete the lifestyle package. The property also includes a second kitchen, high ceilings, split system air-conditioning, stone benchtops, Smeg appliances and garden shed. Fully furnished residence including pool and garden maintenance.
