Located in the highly regarded Mount Tully area, only 12 minutes from Stanthorpe, this 18.9 hectares or 46.6 acres of diverse land sits at an elevation of close to 1000m and has a wonderful rural aspect. The land is a mix of clear paddocks and native bushland with granite rock outcrops and has a corner location with sealed road frontage. Well-fenced paddocks include 3 good dams for stock. There is potential to build your country home on a variety of beautiful sites and use the updated cottage as your temporary home or for a long-term investment. With stone walls plus new walls, new interior, new bathroom and plumbing and new electrics, the cottage is comfortable, quirky and full of character. This is a rare opportunity to secure a very special spot for you to enjoy your peace and privacy in the Granite Belt, handy to local wineries, Girraween National Park and the many other excellent places to visit.
