The home is a five-bedroom, two-storey residence that, to be fair, needs a little work. But it is the land where the real value lies, and with a 25.4-metre frontage, there is a lot to consider. • 5 bedroom home • 2 bathroom • Built in robes • Air conditioning • Bushland views and walks • Block size 3936 square metres • 1 km to North Epping Shops • 7 min drive to Epping Rail • Safe, quiet, affluent area ideal for raising a family • Catchment of Epping Boys High and Cheltenham Girls High. Whether you are thinking of a home that has plenty of options be it renovating, building, developing or land banking, you cannot go wrong. Auction On Site Saturday 21 October at 10:00 am.
