Picture yourself in a magnificent lake house, a place you can call your forever home. A north facing 682.9m² block of land, sloping down to the reserve, then water's edge. Cleared and offering breathtaking views of a peaceful cove on the enchanting waters of Lake Conjola. This is a truly rare find, a front row block that holds the promise of something truly extraordinary. The property has DA approval for an impressive contemporary home, plans and consent available on request. What sets this block apart is the lakefront reserve that separates you from the glistening lake, ensuring a serene and uninterrupted experience. Tranquil, private and nestled away, your solitude will only be disturbed by the soothing sounds of birdlife and the occasional kayaker or fisherman passing by. If you appreciate the allure of water, the beauty of nature, and the luxury of privacy, then this location is an absolute gem. Yet, despite its seclusion, you'll be pleasantly surprised to discover that it's only a short 10 minute drive to the vibrant village of Milton.
