Encapsulating excellence, this exquisite new four bedroom, four bathroom home showcases inspired design and top tier features in a coveted locale. Setting the scene, the commanding entrance hall impresses under a spectacular soaring ceiling. To the right, a guest bedroom or separate living room is versatile and welcoming. After sweeping onward the hall opens out, inviting you to spend evenings luxuriating in style in the beautifully proportioned and impeccably appointed kitchen/dining/family, enhanced by a suspended fireplace. Miele appliances, soft-close cabinetry, a feature island and walk-in pantry create a dream kitchen. At the rear, a wide stacker door leads to an infinity plunge pool, beckoning from above and beyond a covered entertaining area. Serene and spacious bedrooms host built-in robes/walk-in robes and each enjoys a fully tiled ensuite. An open study adds amenity, while top extras incorporate an elevator, heating/cooling, excellent storage, mudroom, keyless entry and large double garage. Parks, transport, Strathmore Primary, village shops and cafes are a stroll, defining an irresistible position that's zoned to Strathmore College and close to CityLink access.
