There is such a peaceful country bush vibe to the suburban street this expansive property is nestled in, even the normally shy bandicoot appears to love it. The welcoming home and separate fabulous approved granny flat are tucked behind the natural bush frontage of the circular drive and caravan and boat access lot. Set within easy reach of amenities, this well-fenced property would be great for lifestylers to big or extended families, and presents the opportunity to potentially earn rental or guest holiday stay income from the flat. Spread across two levels, the flat features a spacious upstairs vacant area ready for you to create more rooms, or whatever you might have in mind. Downstairs is a modern bedroom, open living, dining and kitchen zone, and combined wet areas. Relax under the patio entry and park the car with ease in the adjoining carport. The main home is superbly presented and designed, with wonderful natural light streaming through the spacious open hub and separate media room. Embrace the chilled ambiance, and enjoy cooking in the modern kitchen, which is equipped with a gas underbench oven, walk-in pantry, fridge/freezer space and ample storage and benchtop space. Just off the home's entry is a private bush view master suite, with an ensuite and walk-in robe. A rear hallway flows to two spacious bedrooms with robes, and a neat laundry with storage, and a separate toilet. There is a lot to love about this property, especially if you long for more land.
