Anshul Trivedi and The Eleet Wyndham City proudly presents the epitome of sophisticated and practical living through this lovely house that is now offered. One word best describes this brand-new house with a striking facade and modern design. Large bedrooms are available in this house; the master bedroom has a gorgeous walk-in robe and en suite bathroom, and the other bedrooms are all close to the modern central bathroom and have built-in robes. You will adore the flooring in the center of the house and the roomy kitchen with its 900 mm appliances, dishwasher, stainless steel cook top, range hood and oven are quality appliances finished and stone bench top. The kitchen also features contemporary lighting that looks out over the open-concept dining and living areas. This house includes: * An en suite bathroom and walk-in closet in the master bedroom. * The remaining bedrooms have built-in wardrobes. * Open concept dining/living/kitchen area and study. * 900mm kitchen appliances. Features include a stone bench top, heating, down-lights, high ceilings, a double remote garage, and fully landscaped yards. A thorough inspection is necessary to fully appreciate this cutting-edge residence! Thus, act quickly to avoid missing out!
