Victorian Grace With Contemporary Class

Marvelously presented, this luxurious, free-standing, three bedroom Victorian, in a prime corner position, boasts every tasteful touch and modern comfort you might desire.

Showcasing manicured gardens, beautiful fireplaces in each room, soaring high ceilings, an elegant archway, and deep cornices and rosetts, this handsomely renovated home offers three large bedrooms with built-in robes, including a master with walk-through robe and sparkling ensuite.

An open plan living area and gourmet kitchen and dining domain adjoin a covered entertainer's deck, perfect for hosting friends and family on summer nights. Of two parking spaces, one is covered, and all are guarded by an electronic gate.

A stylish second bathroom, laundry, and heating and cooling round out abundant appeal.

A short stroll to countless amenities and lifestyle attractions, including Coburg and Batman railway stations, Sydney Road shops and cafes, Pentridge Coburg, Coburg Farmers Market, Coburg Lake Reserve and the Merri Creek bike trail, Coburg North Shopping precinct, Coburg North Primary School, Coburg Secondary School and Harmony Park.
