Imagine a three-level home with a beautiful leafy garden that blends in seamlessly with the property. As you turn into the property & up the driveway, you'll feel like entering your private oasis. When you enter the house through the second level, you'll find a modern kitchen and dining area that flows naturally into the lounge. From here, you will have access to the covered verandah that allows you to experience the feeling of being among trees and the native bush. This level also includes a bedroom with a built-in wardrobe, a bathroom, and a laundry. Ascend the beautiful timber staircase to the next level, where you'll discover a secondary lounge or study area, a main bedroom with a walk-in wardrobe, and an ensuite bathroom. The lowest level is where you'll find parking, storage, and an outside garden shed. The home's ideal location near the beaches and rivers allows for outdoor activities. If you take the short drive into Bellingen, you'll discover a wonderful town with its grower's markets, arts and crafts, monthly markets, shops, and restaurants.
