Situated on 4.1 acres (Approx) with breathtaking views to the Bay, this property is currently zoned 'Low Density -Res 1' so great for land banking or enjoy the property for what it currently is, a rare piece of paradise that only a few can experience. The bluestone homestead is substantial and has been meticulously maintained. There are five bedrooms, the master bedroom has a renovated full ensuite and walk-in robe and the remaining bedrooms have built-in robes and are serviced by the main bathroom, 2 powder rooms and a semi ensuite. With a choice of living zones, there is a stunning full length bluestone fireplace separating the formal lounge and dining room with extra high timber cathedral ceiling. There is also a large rumpus room with built-in bar ideal for a pool table, a sitting room, and a tiled meals area off the kitchen. The timber kitchen is stunning and provides ample bench and cupboard space and is fitted with a modern induction cooktop and dishwasher. Outside there is a long asphalt driveway that leads to a triple garage and 4 car shed, so perfect for someone that requires room for trucks, caravan and plenty of cars. Other features are four split systems and over 100,000L in water tanks. There are only a handful of properties that exist with a similar aspect, so make your interest known and arrange an inspection.
