Whether living in a large or extended family situation, needing work or studio space, or ready to invest in a quality property in a popular neighbourhood, this latest water outlook listing delivers. Enjoy the Oyster Harbour and hinterland vistas, and being close to local amenities, and within an easy drive of waterways, beaches and more. The sprawling two-storey home stands on a neat lot, with a garden shed, two garages and a fabulous studio, work base or teen hang out. Two families could pretty much live on this property, or you could possibly even rent a wing out. Ground level of the home reveals a thoroughfare to the separate family lounge and dining room, and a massive integrated appliance kitchen. A central wood fire warms the entire area. One wing contains a games room, with a bar and patio access, and a bathroom, with toilet, and an office or sixth bedroom. Savour the space, create a home within a home for your aging parents, or possibly lease it out. The remaining wing has a great storeroom, garage access, roomy laundry, and another toilet. Upstairs is even more flexible living space. Embrace the views from the fabulous balcony access, towering ceiling living area, with stairs to a water view loft or storage space. The private master suite has great views and a walk-in robe enroute to the plush spa bath ensuite, with its own laundry chute. The family wing reveals yet another bathroom and toilet, hall storage and four more bedrooms, including three with water views and mirrored robes. Just think of the possibilities.
