This inspired contemporary home is designed with modern family living in mind. Wonderfully light & bright open plan living areas catch the best of the northerly sun and open out via a full wall of retractable glass doors onto a covered outdoor entertaining space, overlooking the gorgeous garden. Inside, the sleek and sophisticated kitchen integrates seamlessly into the "industrial chic" vibe created by the polished concrete floors and exposed feature brick. Designed specifically to work with the natural elements, this home offers many energy-efficient features throughout. Features include: Three bedrooms, master with walk-in robe and en-suite Modern open-plan kitchen, dining, and living areas Outdoor entertaining deck with remote opening Vergola roof Second living room that lends itself as a parent's retreat or child's play area Back garden includes areas for homegrown produce in addition to the lawn Second outdoor elevated entertaining space Large automatic double garage with secure direct access to property Plenty of storage throughout that can also double as a wine cellar Don't miss your opportunity to call this prestigious property your home! Preferred lease term - 12 months initially
