This brand new 4 bedroom residence built by Metricon Homes is equipped with two living areas, making it a great place for families or individuals who like to entertain guests. The high vaulted ceiling in the main living room adds to the feeling of spaciousness, while the modern kitchen with stone bench tops and stainless-steel appliances provides a sleek and functional space for cooking and dining. The professionally landscaped surroundings are a nice touch, making the property even more inviting. The prominent position in the popular Waterford Rise estate means that you will have access to a range of amenities and services in the local area, while also being able to enjoy a peaceful and tranquil setting. The easy access to the freeway is a huge plus for anyone who needs to commute to Melbourne's eastern suburbs, with a 60 minute journey time meaning that the property is still within reach of many popular areas. All in all, a fantastic property that would make a great home for anyone looking for a comfortable and stylish place to live.
