This solidly built and perfectly maintained home is being presented to market for the first time since built. The owner of this property has looked after it lovely for more than 30 years! Walking into the foyer you will notice the slate flooring, so timeless, durable and easy to clean, there are 3 separate living areas and a dining area, so the family will have plenty of space to themselves. The rear sunroom, features plantation shutters and overlooks the manicured lawn and beautiful landscaping. There are 2 shaded areas to sit and relax in, one facing west and one facing east. The 3 bedrooms are sizeable and all have built in robes and ceiling fans, they are serviced by a full bathroom with separate shower, separate WC and vanity station. This space could be easily converted to 2 bathrooms one being an ensuite to the rear bedroom. The kitchen features a dishwasher, double stainless steel sink and electric cooking. The laundry is quite large and has direct access to the rear yard. This house is very secure, with ornate grills on window and doors, you will be certain to sleep tight at night.
