A rich yet untouched canvas of Californian dreams, this original two bedroom tuckpointed brick Californian Bungalow allows you discover the brilliance within your renovating talents. With plenty to retain, you'll be mesmerised by what you can revitalise with a sympathetic renovation - the timeless heritage protected façade, the leadlight double door entry, the stucco hallway and the three classic front rooms with their high ornate ceilings, picture rails and sash windows, as a start. Added onto over time including various outbuildings in the west facing rear garden, there's potential to maintain the classic kitchen and sunroom in the short term, while you reinvent the space into a something spectacular. On a substantial 595 sqm approx. block, this period prize has the redeemable qualities of ducted heating, reverse cycle air conditioning, ceiling fans, an alarm system, CCTV and a tandem carport. In one of Bentleigh's finest and most historic streets, a hop, skip and a jump to Centre Road for cafes, dining, shopping and city trains, walk to dog friendly parklands and a great choice in public and private schooling.
