Ray White Parkes

Rare Development Opportunity

Ray White Parkes is excited to offer this large block to be sold at public auction! Positioned perfectly in Parkes, you are within walking distance to the CBD, local swimming pool, clubs and sporting fields.

Please note the property will be sold as is. The option is yours; restore what is standing or knock down to redevelop the block and utilize the large area on hand.

Additional features include town water, sewer as well as other services available. This large block is on two registered titles so could be easily subdivided or set up for multiple units very easily.

These rare opportunities do not come around often. Don't miss out on this opportunity.
