From the moment you step through the entrance you know that the home has something special to offer. Every family member can enjoy their own space within the two defined living areas that flow seamlessly throughout. Upon entry, there is a spacious media/multi-purpose room, here the whole family can sit and relax whilst enjoying some downtime together. There are four generous sized bedrooms all with built-in robes. The main living zone has been designed with entertainment in mind boasting a huge open plan living/dining/kitchen area, all of which overlooks the beautiful outdoors. The kitchen is the hub of the home and is sure to impress the most discerning chef, featuring a large island bench. There is more than ample cupboard and bench space, highlighted by an electric stainless steel oven with walk through pantry. The Master bedroom is totally separate from the others and has a large walk in robe and its own en-suite with dual vanities. The rear patio is the perfect place to relax whilst entertaining family and friends and enjoying your outlook.
