A piece of paradise is the best way to describe this scenic location in the exclusive suburb of Jubilee Heights, only 6 kilometres from the township of Innisfail, just 7 kilometres from the beach, and 95 kilometres from the Cairns International Airport. Enjoy private, quiet, low-maintenance living in this beautiful rainforest estate. Sitting on just over one acre of land, this split-level home is constructed of masonry block with rendered exterior walls and gyprock walls inside. Being near the end of a cul-de-sac there is very little traffic. It features three bedrooms. The two upstairs bedrooms have built-ins. All bedrooms and open plan living area and kitchen have split system air conditioning and ceiling fans. The third large, air-conditioned bedroom is downstairs, with a kitchenette and separate shower/toilet. You will appreciate the peaceful surroundings sitting on the large timber deck overlooking the permanent freshwater creek that flows through the property. Easily accessible bitumen driveway. A big feature of the property is the privacy. There are very few aspects where any neighbouring homes are visible. This home also includes an 8.2KW solar system with 32 x 330W panels.
