Nestled in the stunning Byron Hinterland, this picturesque 3.79-hectare (9.5-acre) property offers a serene escape while maintaining close proximity to local amenities. Enjoy the best of both worlds with cafes, shops, and essential services just a short drive away. Experience the charm of this solid brick home surrounded by lush, mature gardens. With four spacious bedrooms, this home provides ample accommodation for families or guests. Inside, an expansive open-plan kitchen and living area creates a welcoming space for gatherings and everyday living. Two large living areas, complemented by an additional dining area, offer versatility and comfort. Stay cosy with a wood fire for those brief chilly winter months. The modern kitchen features updated appliances and abundant storage, while the master bedroom includes a walk-through wardrobe leading to an ensuite bathroom. Relax in the generously sized main bathroom, complete with a bathtub and separate w/c. This property offers more than just a home; it provides a lifestyle. A versatile studio with a kitchenette, shower, and w/c offers potential for a home office or guest accommodation. Outside, discover productive gardens including an established mango plantation, various fruit trees, and a 5000L irrigation tank. This unique property presents an opportunity to enjoy the serene lifestyle of the Northern Rivers while still being close to the vibrant communities of Mullumbimby, Brunswick Heads, and Byron Bay.
