Is your wish list - wide open space for our new home and outdoor living, room for the children to run around, to be surrounded by quality homes, close to water and walking tracks, space for a shed, room for the vegetable garden and to be part of a growing community. Only 7 minutes drive from Shearwater township and with easy access to all that this coastal area offers, this 7358m² block (just under 2 acres) is private from the road and settled amongst other great homes and blocks in Squeaking Point. The Moorings has fast become a popular place for families and is developing into its own community of like minded residents. Fully fenced with a private orientation, the scope to build your new home is not limited. Services of town water, power and telecommunication is at roadside and the gravel drive in place. Title is issued and ready for you to make your plans for a new lifestyle.
