Set in an exclusive street ideally zoned to Strathmore Secondary College, this sparkling four bedroom with option of fifth, two bathroom Californian Bungalow is sure to leave a lasting impression with its quintessential character flawlessly enhanced by stylish upgrades throughout. Beyond the storybook façade lies gleaming hardwood floors and mantled open fireplaces, as a neutral colour palette complements the split-level open conversion. The formal lounge/dining can be transformed into additional guest accommodation/fifth bedroom, while the light-filled family/meals domain adjoins an immaculate stone-bench kitchen. Fully-equipped in premium stainless-steel appliances including dishwasher, breakfast bar, abundant cabinetry and glass splashback. What's more, bi-fold doors flow to a north-facing entertainer's deck that overlooks the landscaped backyard encompassed by established garden beds. There is also a two-way garage flanked with extra driveway off-street-parking for a total of three vehicles. Back inside, comfortable bedrooms (three with robes) accompany the on-trend central bathroom featuring dual basin and spa bath. With the master boasting a private ensuite and walk-in-robe. Add to this, ducted heating / refrigerated cooling and an internal laundry. Offering a hotspot address, just moments to Glenbervie Station, CityLink, elite schools, the lush Moonee Ponds Creek Trail and Windy Hill. Roughly a quick five minute drive to North Essendon Village, iconic Queens Park and lively Puckle Street.
