...talk to Di about this sensational, fully renovated lowset brick home, surrounded by lush tropical gardens. A sparkling, self cleaning inground pool is set like a gem beside a large undercover deck offering stunning views. Combined with beautiful mature trees, this huge 1346m² block conjures up daydreams of a South Pacific island holiday - all only 20 minutes from Brisbane City! Majestic and stately palm trees line the driveway, colourful landscaped gardens and the soothing bubble of a fish pond welcome you through the wide entryway. A beautiful bay window capturing the view and the picturesque outdoors sits at the back of a large formal dining and lounge zone. A well placed cavity sliding door takes us through to the modern kitchen, renovated in a fresh crisp white colour palette - a gleaming combination of stone bench tops, quality stainless steel appliances and loads of soft close storage spaces. A wide breakfast bar adjoins a large meals and family room with sliding glass door access to the outdoor al fresco living. New contemporary flooring has been installed throughout with plush carpet to the bedrooms. The main bathroom is presented in soft soothing shades, with a wide stone bench top and a deliciously deep spa bath to soak away the stresses of the outside world. All the bedrooms are a generous size with new ceiling fans, three access the gardens through sliding glass doors including the large master suite which has a luxuriously sized walk in robe and a brand new ensuite for the new owners to enjoy. This spot is fantastic - bus stop at your doorstep, easy access to Brookside Shopping Centre, new Dan Murphy's/Brook Hotel, Teralba Parklands, Mitchelton Train Station, Mt Maria College and the party atmosphere and culinary delights of the Everton Park Lane Dining Precinct, supermarkets and all professional/beauty services. Everton Park is a family friendly suburb, within a 10 min drive to a wide range of high quality State and private schools. This suburb has undergone a magical and ongoing transformation attracting large retailers and welcoming many new homeowners to the area.
