Huge parcel of land now available for sale in the highly sought after 'Old Bay' section of Callala Bay. Being approximately 2023sqm, this block offers the opportunity to base yourself near the waters of Jervis Bay where you can cycle, swim, snorkel, fish, camp and enjoy all that the area has to offer. This property would suit those looking to build their dream home on a generous block, spoilt with surrounding foliage; creating a private haven on the coast. It could then be utilised as a holiday home, or a place to set your roots permanently for a seaside lifestyle change. With the local boat ramp being approximately 500m down the road, you can spend a weekend away on a fishing trip with the boys or a girls retreat by the sea. You may like to catch the ferry from Myola to explore the shopping and restaurants in Huskisson. The local shops, cafes, parks and soccer field are all located within a 1km radius.
