Positioned near the City Centre on a large level, fully fenced block of land and within an easy walk via concrete footpaths to restaurants, bars, shopping and doctors is a bonus. A great location where you can ditch the car and in real terms only use your walking shoes to get where you need to go. This fully refurbished home that has first class presentation throughout with near new kitchen, bathroom, polished floorboards, air-conditioning, separate lounge and rear sunroom. This home boasts two large bedrooms with built-ins, and second toilet. Access to the backyard is straight down the side of the home so boats, caravans, trailers are all no problem at all! Additional features are a single lock-up garage, plus a carport that can be used as an alfresco area. Unfortunately, this property is not suitable for pets.
