Check out the chic feel within this freshly renovated three bedroom timber classic. Stylishly renewed with Oak look hybrid floors, gold tapware and door furniture, white plantation shutters and seductive splashes of colour, this on trend renovation uncovers an engaging lounge and dining area with gas fireplace, an ultra vogue kitchen with premium integrated appliances (includes Bosch fridge/freezer), a spacious main bedroom with shaker style robes, two fitted kids' bedrooms with built in robes and desks, a refreshed bathroom and a smart laundry with second toilet. The large north facing rear garden is a blank canvas of space that backs onto Wingate Street Reserve creating the potential to explore the opportunity to subdivide the site (Subject to Council Approval). With its painted façade, fences and roof, this new look home is comfortable and practical with reverse cycle air conditioning, a garden shed and an old school garage behind a roller gate. Convenient locale – jump on the bus to Moorabbin Central and Moorabbin station, grab the essentials from the Chesterville Road shops, walk the kids around to East Bentleigh Primary School, kick a ball on Moorleigh Reserve and explore the breweries and restaurants in Moorabbin's enlivened industrial district on weekends.
