This cute 2 bedroom home has an amazing elevated position offering panoramic views from the Great Sandy Straits to the Susan River System. From the front deck you look over rural m zzbushland to the Susan and Mary Rivers and from the lounge and back deck you can see K'Gari (Fraser Island) and the shimmering blue waters of the Great Sandy Straits. The high-set home catches the cool breeze off the water from any angle and has just had a brand new kitchen and shower installed. The corner location gives easy access off Gannet Way for vehicles to access the block. The property has a large storage area underneath with laundry plus room to park two small cars. There is still plenty of potential to add value to the home by extending the deck out further to really maximise the views and position. Located just 12 mins from Hervey Bay beaches and just 2 mins to local shopping village, public boat ramps and K'Gari barges. Enquire now as homes under \$500,000 with water views do not last long!
