This classic cream brick home has been recently painted throughout, comprises polished floor boards and modern window furnishings. There are three bedrooms each fitted with built in robes and the spacious lounge room has gas heating and a box air conditioner for year round comfort. The kitchen has an updated stove and enough room for a dining table. The bathroom is centrally located and the laundry and toilet are separate. Externally there is an outdoor entertaining area and a workshop with power. Only a short drive to Bunnings, Epsom Village, primary schools and an easy commute in and out of the centre of Bendigo. There is a bus stop directly out the front. Please note the rent is below market value as there will be civil works being carried on both sides of the property. The timeframe for these works is unknown. This should not adversely affect the tenancy, however there is likely to be some inconvenience.
