Timber-framed home in a great location: generous sized block, beautiful setting and quiet haven. The home sits high on the limestone range at the end of a tree-lined driveway. It is adaptable with two living areas and a dining area. The kitchen has been updated and the living areas with new flooring, painting and configuration. There is a slow combustion wood fire and air conditioner. The main bedroom has an ensuite that has been updated and a built-in robe. Bedrooms two and three have built in robes and the fourth bedroom would also work as an office. The property has a four-bay x two-door garage/shed, with workshop and an extension that functions as a games room and houses a billiard table. There is an outdoor area with pizza oven and wood fire. The garden is spacious with large lawned areas and edged with flowerbeds. There is an extensive orchard consisting of 25 fruit trees and a vegetable garden, fully irrigated. The property has a bore, rainwater tanks and automatic sprinklers. Please contact Renea on 0428832728 with enquiries and to book an inspection.
