Yes that's correct a shed with power, light, water and concrete floor available for sale at Fishermans Bay. The shed is well positioned for a house to be built (STCC) and can be used as a shed prior to building completed. Approximately block size of 180m² including shed of 40x20 and grass area. The owners have even washed out the shed, clean ready for you. The land is freehold and the price is fully inclusive of land and improvements. These do not come up very often and is a pleasure to offer to the market. Allotment of approximately 180m² with grass area. For further details contact Sophie Tod. RLA 110
