Robert Tacheci

\$1,800,000

Attractive and unique this home has been thoughtfully and creatively, architect designed, to make the most of this outstanding site. It's something special to find a lakefront property with this particular combination of highly desirable features.

- Large, level, lakefront block of 1,471m² in private, battle-axe location
- 3 bedroom (with ensuite) + study + studio (with ensuite)
- Stunning, wide lakefront views, looking over a secluded bay of Wallaga Lake
- Bright and airy with large areas of glass, letting in views and lots of natural light
- Large double garage with attached studio with ensuite bathroom
- Easy Access to enjoy the lakefront location to the utmost
- The home opens onto multiple decks all to maximise opportunities for outdoor living and alfresco dining whilst overlooking the lake

This is a great home to appreciate the very best of all the pleasures a coastal lifestyle can offer, and is also within walking distance of the beach, and only a short drive from the charming coastal village of Bermagui, with its boat harbour, cafes and restaurants, 18-hole championship golf course and country club.
