Welcome to this breathtaking Mediterranean-inspired home located in the tranquil sort after suburb of Doonan. This luxurious six-bedroom, three-bathroom casa is an architectural masterpiece that perfectly integrates modern comforts with an abundance of Mediterranean charm. With its north-facing aspect, it offers magnificent views of Noosa Heads and the lush Noosa Hinterland while still giving you seclusion that is so sort after. Entering the main automated gates you are then met with huge custom timber double doors that enter into a massive open plan living and entertaining level with expansive views to Noosa Heads. This level invigorates all of your senses, passing through the main corridor past a large in-ground terrace edge pool. Wonder downstairs on two levels to find 6 large bedrooms and 3 luxury large custom bathrooms, including a master ensuite and walk in robe. The lower level is self contained and can used as a private unit for dual living. Choose from multiple indoor and outdoor entertaining areas, grassed pool area or terraced gardens all interconnected by high-end timber walkways as part of the major renovations, also including a new three space carport and large storage room. This home really does have it all, classy, spacious, sophisticated and so unique. The property is conveniently located close to Hastings Street in Noosa which boasts world-class restaurants, cafes and boutique shops. You'll also be within proximity to The Doonan community hub known for its lively events and friendly residents.
