"Without a word of exaggeration this could be one of Officer's finest homes."Adjacent to parkland and with stunning views from the front door this is a home that will leave you gasping.Within walking distance to Orchard Park primary school and close to both the Beaconsfield and Officer strip of shops. It's also walking distance to public transport and parkland which is central to the inviting Timbertop community.The 42sq weatherboard home is only a few years old but has the timeless class of a Victorian masterpiece.Featuring:- Four oversize bedrooms, the large master with dual walk-in robe and floor-to-ceiling tiled en-suite;- Both the en-suite and bathroom boast Villroy and Boch sinks and shower heads plus Hansgrohe tapware;- Lounge room with a heritage fireplace as its centrepiece;- Theatre room featuring projector, projector screen and housing;- Open plan living/dining room with cathedral ceiling reaching 5.5m at its highest point and double-sized, double-glazed north facing windows leaving the main living area illuminated with natural light;- Impressive kitchen with a 3m quartz island bench that includes double waterfall end tops plus AEG integrated dishwasher, oven and induction stove top;- Massive walk-in pantry and laundry;- Alfresco with decking that spills over into the incredibly maintained backyard;- Double car garage with remote access;- Ducted heating and refrigerated cooling.I'm not even doing justice by trying to incorporate all the features. Do yourself a favour; come inspect in person. You will thank yourself for the experience.
