\$285,000

This property is tucked away in peace and seclusion south of Chinchilla and north of Tara. It is a neat comfortable home that is well maintained and yet has excellent sheds, dams and entertaining area that makes for a peaceful retreat from the city hustle. The home has two bedrooms, one bath and one kitchen-dining combination with a sizeable lounge that boasts a wood fire for those winter days. A large reverse cycle air-conditioner makes up for those hot summer days. Your choice but its comfortable and tidy at any time of the year. Other features include: * large garage and machinery shed* Approx. 50,000 litres of water storage* Large house dam equipped with pump for gardens and lawns* Off-grid solar and back-up generator. Vendors are looking to retire elsewhere and property must be sold. Call Jon on 0409 057 596 to organise an inspection of your own piece of rural lifestyle.
