This home has an abundance of personality, with beautiful polished floorboards throughout and high ceilings. The cottage has 3 very good sized bedrooms. There is a lounge room with open fire place, a renovated kitchen with all of the modern conveniences, but still housing the original wood stove. A light filled dining area offers views to the Liverpool Ranges and opens onto a beautiful deck bringing the outdoors in. The property has an internal laundry, attached carport as well as a quaint front veranda. There is a garage at the rear of the 962 square meter block as well. This property is a really cute package one not to miss! Phone Megan to arrange an inspection on 0400 653 446.
