The gateway to Queensland's largest wine grape district is also home to some of the best value real estate. Just cast your eyes over this little beauty. A well kept 3 bedroom home on 1133m², with timber floors, and a 9m x 6m shed. The home is your general open plan style with kitchen, dining and lounge accessed straight from the cosy front verandah. The kitchen is all electric with plenty of space for family catering. The bedrooms, and bathroom, are down the hall where the generous spaces all have built-ins. The side steps lead directly down the path to the shed behind the home. A great starter home, or a place to park the van for a while. Goomeri is an old timber and dairy town that comes equipped with a P-10 school, Pub, 2 Servos, and the famous Goomeri Bakery. We do not accept responsibility for the accuracy of any information.
