(Please see our television quality video and 3d tour to get a sense of what living here is really like!) Does looking for a house at the moment feel like you're running around in circles? Big enough house, but no pool... It has a shed but is too small.... Well we have found a unicorn here at 74 Peter Street in Kelso. This legal height, five bedroom, three bathroom home, with a shed and a pool is perfect for big families and has everything people have been asking us for. The current owners have created magic with the recent updates including new carpets and fresh paint throughout, making this home move-in ready. Large families will appreciate the expansive upstairs living area. Here you'll find air conditioning and hardwood floors for easy maintenance. The kitchen is open plan and has quality Miele appliances and heaps of space for all of your pots and pans. All four upstairs bedrooms feature charcoal grey carpet and have just been freshly painted. The primary suite is located away from the children's bedrooms. There is enough room here for a king sized bed, a huge walk-in wardrobe and your very own ensuite. Downstairs is a private oasis. This space is perfect for that unruly teenager or your visiting in-laws. It is fully self contained and features split system air conditioning, a full kitchen and bathroom, a study and even a rumpus room. Outside is where you'll want to spend all your time. There are so many places here to sit back and enjoy a cuppa in the morning or entertain your friends and family. Children and pets will love playing in the fully fenced backyard, and there's even a swing! Surrounded by beautiful native trees and plants and shaded from the afternoon sun is a stunning, pebblecrete, saltwater pool. The perfect place to cool down after a long day. Taking full advantage of this huge corner block is separate double gate side access to a big 6x9 metre shed - Perfect for storing your tools, tinny or trailer. 74 Peter Street is located on a fully fenced 801m² block in Kelso. There is 5.5 kilowatts of solar on the roof that will help keep your energy bills down. Just down the road is Riverway Plaza where you'll find a Woolworths, McDonalds and other specialty stores. Major shopping is at the Willows Shopping Centre, a ten minute drive away. Townsville's largest employers James Cook University, Lavarack Barracks and The Townsville Hospital are a fifteen minute drive via the Ring Road. The Townsville CBD and beaches of The Strand are twenty five minutes away. Be Quick! Large family homes like this are as rare as a unicorn! We'll see you right here this weekend!
