Surrounded by landscaped gardens, this remarkable residence is set to make a lasting impression with its family-focused floorplan, terrific living/entertaining zones and prime location in one of Valley Lake's premier tree-lined streets. Beautifully appointed and meticulously detailed, the light-filled interior showcases an extra-large master bedroom with fitted WIR and stylish ensuite, together with three additional bedrooms (BIRs), main family bathroom and guest powder room (third WC). Along with a dedicated study/home office, the home also includes a front lounge, rumpus/retreat (upstairs) and expansive open-plan living/dining area complemented by a superb stone-bench kitchen with island breakfast bar, walk-in pantry, 900mm cooking appliances and integrated dishwasher. High ceilings, ducted heating and evaporative cooling all add to the appeal, together with a 20-panel solar power system, Sonos integrated audio, double blinds (upstairs), big laundry and under-stair storeroom. Bi-folds from the living area reveal an alfresco entertaining deck with remote-control black-mesh cafe blind and amazing north-facing backyard with extensive decking, dual water features, established perimeter gardens and high fences all-round for exceptional privacy, plus a remote-control double garage with internal entry. Walking distance to the bus stop (on Valley Lake Boulevard) along with Steele Creek trails and acres of parkland, it's also close to a range of schools, as well as easy access to Centreway cafes and shops, Niddrie's thriving retail precinct and the Calder Freeway.
