Discover the epitome of modern luxury living in this remarkable architectural masterpiece by Gabor Hubay. This contemporary residence sets new standards in design and construction, offering a lifestyle of unparalleled elegance and sophistication. Italian travertine stone floors flow through the property. With three metre ceilings and extensive use of full height glazing, every corner is bathed in natural light, creating a bright and inviting ambience. Enjoy captivating tropical garden views from every angle, bringing nature's beauty to your daily life. Situated close to fabulous shops, restaurants and High St fashion, the location is perfect for a family seeking convenience. The welcoming entrance hall leads to a spacious study (or cosy sitting room if you prefer), designer European laundry with spacious storage and a streamlined Miele equipped kitchen featuring white stone benches, integrated Liebherr fridge/freezer and high-end electric hands free soft-closing cabinetry. The exceptionally generous living and dining room featuring a large open fireplace, seamlessly connects to a leafy BBQ terrace to the west and a sunny private garden at the rear of the home with a stunning mosaic tiled gas heated pool. The spacious master bedroom overlooks a glorious private Gardenia and English oak garden and features custom built in robes and a luxurious Italian glass mosaic tiled en-suite with freestanding bath, double vanities and ample storage. The master suite is conveniently situated on the ground level. Upstairs are three further double bedrooms. The second bedroom has a lavish en-suite and BIRs with two further bedrooms (BIR/WIR) sharing a bathroom. Simply stunning, this unique home is comprehensively appointed with every conceivable luxury including slab heating, zoned heating and cooling throughout, alarm, video intercom, smart lighting, ducted vacuuming, int/ext audio wiring, grey water tanks, irrigation, designer powder-room, laundry, garden lighting, abundant storage, and key free fingerprint technology on the front door. Don't miss the opportunity to make this architectural masterpiece your forever home.
