Located just a few minutes south of Port Neill along Lincoln Highway is this cute little lifestyle property at an affordable price. The land area totals over 5.2 hectares (12.8 acres) and consists of 2 separate homes in a rural setting amongst well established native gums. The main home features 3 bedrooms, renovated bathroom and country style kitchen. The lounge has timber floors and open fire place and there is a detached rumpus room and garage. The second old stone home has great character and features include 3 bedrooms, 1 bathroom, lounge and kitchen/dining room. The kitchen has been pulled out though, so some improvements are required to get back into shape. The setting is a lovely one, large open ground to run a few sheep, a winter dam surrounded by trees, large chook pen and a couple of old implement sheds.
