\$258,000

Situated at the end of one of the nicest streets in the park, is one of the largest cabin sites available. It has large double carport garage, with outdoor patio overlooking rainforest landscape garden. This could be the new lifestyle you have been dreaming about, fishing everyday across the road at the beach or swimming in the pool, BBQ's every night, meeting a consistent flow of visitors traveling in this picture perfect Village. And if you have a boat, the Causeway Lake is just about your backyard. Could you get sick of seafood??? Mmmm mud-crabs!!!! Located a quick easy drive to Yeppoon or Emu Park or just jump on the bus out the front. The living area is one of the largest we have seen and would represent the size of a normal home with many windows to let in the breeze. One of the bedrooms comes off the living area with built-in's and a door that goes out to the patio. There is just two stairs that goes up to the kitchen and hallway that gives access to the second bedroom and main bathroom. There also is a laundry and storage area and workshop which is lockable. The property has just been renovated and looks fantastic, ready to move in. Coolwaters Discovery Park has a large permanent residents for over 55, \$202 a week site fee. This property is a lifestyle changer!!! Call now. I don't want to disappoint you and say "Its under contract" Call me Damien for an inspection that could change your life!
