Type: House

Rebecca Barnett

Be Surrounded by Nature

As you enter through the front gate you will drive through towards the house and be surrounded by trees and nature.

You can enjoy from most areas of the driveway, front of the house and front porch some lovely views through the trees and out to the Ranges.

As you enter the home through the formal entry you are greeted by a formal lounge and dining room with ceiling fans and timber flooring. Walking through the spacious kitchen you will enter the air conditioned family room with access to the back patio

Down the hallway you will find master bedroom with ceiling fan, walk in robe and ensuite. Along with bedrooms 2 & 3 plus a central family bathroom, separate toilet and laundry.

The back garden is the pride of this property with beautiful plants and flowers, a succulent garden and a greenery walkway to connect you back to the front of the home and the garage.

Features of the home include

- * Built in 2004
- * 5000m² block - house set at back of block with native trees and plants at the front for privacy, sloping block providing great views of the ranges
- * Double garage - 1 side remote
- * Rear patio and front verandah that are the length of the house
- * Succulent plant gardens and beautiful flower gardens
- * Formal entry
- * Spacious kitchen with electronic appliances
- * Open plan dining and lounge room with fans
- * Family room with fan and air conditioner
- * Main bedroom with fan, air con, WIR & Ensuite
- * Bedrooms 2 & 3 with ceiling fans and built in robes
- * Bathroom with bath tub, separate toilet
- * Laundry with double door linen cupboard and access to patio
- * 20,000L water tank
- * Town water
- * Grey water tank serviced quarterly
- * Outlook over ranges
- * Security Screens and doors
- * Tinted Windows
