Promising the lifestyle of your dreams whether it's a tree change you're seeking, dual living option, horse property or tradie or business owner wanting fabulous shedding and space to park vehicles, this stunning property with two homes and breathtaking uninterrupted views, has it all! A sweeping view across strawberry fields to mountains in the distance highlights this incredible property with the main four bedroom home designed to make the most of the sweeping view across strawberry fields to mountains in the distance. Wake to far reaching easterly views, soak it up from large windows in the living area and kitchen, dining and family room with the covered entertaining deck saving the best for last! Offering an expanse of space, light and superb connection with the outdoors, the wheelchair accessible home offers timber kitchen with generous storage including walk in pantry and dishwasher with adjacent family room complete with brick fireplace with coonara plus split system. Feature barn doors open to a stunning living room with private master showcasing spa ensuite and walk in robe. A further three bedrooms are tucked away and served by large main bathroom, separate toilet and laundry. Additional features include ducted heating, ducted evaporative cooling, panel heaters, ceiling fans on the deck and internal double garage. Originally positioned on the Mont De Lancy property and moved prior to 1950, the gorgeous 150-year-old three bedroom cottage has been modernised with full kitchen complete with pressed metal splashback and dishwasher and luxurious bathroom with walk in shower. Full of all the character you'd expect including sash and box bay windows (with stained glass), French doors, lining boards, high ceilings and cedar floorboards, the home offers three split systems and coonara. Both homes are surrounded by an enchanting botanical oasis showcasing a variety of plants including roses, crepe myrtles, peony roses, salvia and aquilegias, just to name a few. Set on just under 4 magnificent acres (approx.) with three paddocks, horse yard, paved tie up rail and horse arena, the property also offers huge 40 x 20m 3 phase machinery shed with vast shelving and two other large sheds including garage and historic packing shed offering the potential for stables. Additional features include two driveways, water tanks with 100 000lt capacity plus mains water, wood shed and historic well.
