Welcome to 75 Deep Creek Road Markwell a sprawling 60-acre bush block. This property offers a peaceful escape from the hustle and bustle of city life, surrounded by an abundance of nature. A place to come and relax, bush walk, enjoy the escarpment. 4WD access via a registered crown road. As you explore the property, you will be one with nature, meandering trails, and towering trees that make up this landscape. Perched high on the hills, the views stretch out endlessly. Some clearing to enhance the view more is required. The little shack could be transformed into a very cosy get away. The structure seems quite solid, better than a tent. Deep Creek Road is only 10 minutes on the Northern side of beautiful Bulahdelah via a tared sealed road. If you want peace and quiet on your weekends, then this possibly could be the block you are looking for. Not for grazing or any agricultural pursuits, just a get away. No power to the block, however it is at the bottom of the adjoining neighbours, there are no dams and the fencing is very limited. An ideal property to be off the grid. Don't miss the opportunity to make this property your own. Contact Renee Spiteri on 0484 110 242 or 4997 9077 for further information
