Three bedroom, study, one bathroom home available now. Good location for public transport, Galleria Shopping Centre, Tonkin Highway access and when completed, the Morley Station on Broun Avenue. Morley Station will be a seamless 15-minute train ride from the Perth CBD and just a three minute journey to Bayswater Station. A frequent bus service will bring passengers to a new bus interchange on top of the bridge, connecting people to the Morley Galleria, surrounding businesses, schools and the local community. The bedrooms are a really good size, with two rooms having large built in robes, ducted air-conditioning plus ceiling fans to most rooms and no carpets for easy cleaning & the allergy sufferers. Kitchen has gas cooking and loads of cupboard space and pantry to the tiled dining area. The rear garden has good areas for the kids to play, two patios for shade, good size garden shed. • Strictly No Pets.
