## Buyers Guide \$720,000 - \$800,000

Nestled atop the tranquil terminus of a no-through road and enveloped by the gentle embrace of nature's finest, 75 Inkerman St is not just a residence; it's a retreat from the ordinary. Built in the gracious year of 2018, this home is a modern testament to high-end living, where every day feels like a leisurely saunter through paradise. With three palatial bedrooms and two opulent bathrooms, this abode is meticulously crafted for those who appreciate the finer things in life but still enjoy a good chuckle over breakfast on a sun-drenched deck. Imagine waking up to the gentle murmur of nature, with water views that turn breakfast into an episode of 'Breakfast with the Birds' - and we're not talking about your last tropical vacation! But wait, there's more! This property sprawls over 3700m<sup>2</sup> of pure bliss. The two-car garage, repurposed into a home gym, whispers 'no more excuses' to your fitness routine, while the beautifully landscaped yard, complete with a shimmering pool, insists on endless summer afternoons frolicking under the sun. For the green thumbs and aspiring farmers, the fertile grounds have proven their worth, boasting a cornucopia of veggies and fruits from the humble potato to the exotic golden drop. And when we say space, we mean it! There's so much room that the kids might just consider taking up marathon bike riding, or perhaps you'll finally have the space for that outdoor yoga studio you've been dreaming of. Let's talk neighbors - or the lack thereof. With no one across the road but a peaceful reserve, and neighbors who probably bake cookies and know the art of friendly waves, you'll find a community that's just as delightful as your new home. Situated in a spot where 'peaceful' meets 'convenient,' this haven offers the serenity of being away from the hustle and bustle, yet close enough to main facilities. It's a place where you can truly have it all - the laughter of kids playing outdoors, the joy of harvesting your own dinner, and the tranquility of nature, all while being a stone's throw from civilization. 75 Inkerman St is more than an address; it's a lifestyle. A place where every morning is a good morning, and every evening is a reminder of the beauty that surrounds us. If you're ready to turn the page and start a new chapter in a home that offers laughter, peace, and a connection with nature, then it's time to come see why this should be your next adventure. Your forever home awaits. Come, let's explore 75 Inkerman St together - where every day feels like a holiday, and life is just... better.
