Sure, this large 1970's 3-bedroom brick/tile home needs a little bit of elbow grease, but where else can you get a house at a villa or townhouse price? It's nestled perfectly close to the river, parklands and Maylands Primary School on nearly 300 sqm of prime Maylands land with the potential to add value through renovation and possible space to add a second bathroom. Opportunities for a home in this price range are like trying to pick this week's winning lotto numbers, so pick up your paint brush and call me on 0411 601 420 to view.....Quickly! All offers presented on 29 April 2024, IF NOT SOLD PRIOR.
