75 Lambeth Street presents a unique opportunity—a three-bedroom home designed for accessibility and practicality. Featuring two comfortably sized bedrooms alongside a convenient third, this property boasts a charming bullnose verandah and a cottage-style garden, enhancing its street appeal. Inside, the bathroom has been intelligently renovated to offer a walk-in accessible shower with no step or lip, accompanied by a fold-out shower stool and handrails for added safety. Both front and back doors are equipped with ramps, ensuring easy access for all residents and visitors. Storage is ample, with two large sheds—one of which is only a little over 12 months old—providing space for up to six cars, alongside a garden shed with a concrete floor and wood storage area, all within the confines of a manageable 746m² yard.
