This magnificent 4 bed, 12 car property offers the successful purchaser the perfect opportunity for open plan outdoor living in the highly sort after suburb of Thornlands. Set on a 2,072 square metre block, 75 Panorama Drive is a lowset, fully fenced home, set in a private, whisper quiet location. There are 12 fully certified garages with a maintenance hard stand including a water tank for washing vehicles. Ten garages are located at the rear of the property and two are at the front. Six are enclosed carports. All lockups have lighting and single-phase power supplies. There is excellent access to the rear of the property via a concrete driveway and bitumen hardstand. The property boasts spectacular fully tiled outdoor entertaining facilities. There are three sliding glass doors all accessing the outdoor/living spaces for true indoor/outdoor living all year round. The outdoor areas consist of a large pergola offering a huge alfresco barbecue and eating area. In addition, there is a sparkling inground pool including a new phased power saving pump. The property offers a huge private master bedroom with air conditioning and carpets throughout and plantation shutters. The stunning 3.5 x 4.1 metre, walkthrough robe and dressing room includes carpets and air conditioning and leads to a double vanity and double shower ensuite. Three more generous size bedrooms include built in wardrobes and air conditioning. The third has hardwood floors and sliding glass door access to the outside area. All three bedrooms are serviced by a full-size bathroom and separate toilet and powder room. The foyer leads to an office nook flowing through to a large living kitchen/dining area. Including beautiful hardwood floors, plantation shutters and air conditioning. The newly renovated kitchen includes a walk-in pantry, ample worktop space, substantial storage and a well-positioned island bench off dining area. The large, well provisioned laundry offers extra walk-in linen and storage cupboard space, before opening onto a covered laundry shelter for all weather drying.
