This captivating property is a true testament to timeless charm and enduring care. Boasting three bedrooms, each complete with spacious built-in robes, this home offers both style and functionality. The bathroom features a vanity, separate shower, and a child-friendly bath. The kitchen, positioned at the heart of the home, provides ample cupboard and bench space, electric cooking and a dishwasher. The carpeted dining area with an open fireplace adds a touch of warmth to family gatherings, while the living area, complete with a gas wood-look fire, opens gracefully through double doors to the undercover area, overlooking the immaculate garden. The home has evaporative cooling ready for those warmer days. Outside the garden itself is a haven, with an automated irrigation system condition. As an added bonus, an excellent 6m x 7m shed with a slab floor, power, two personal access doors, and a roller door is a valuable addition for storage or hobbies. A double carport ensures ample parking space, making daily life more convenient. Conveniently located close to numerous Stawell amenities, including the hospital, schools, the main shopping centre, Tabaret, parks, and lakes all within walking distance. This property will tick most people's boxes so be quick and don't miss out. Property Code: 2875
