Exquisitely designed to balance quality and style with a lifestyle of perfection, this near new stand alone home provides the perfect configuration that blends a spacious interior with low-maintenance surrounds, all whilst relishing complete convenience. Providing a sensation setting to entertain with friends, the open plan living, dining and kitchen is generously sized and adorned with fashionable floorboards and high ceilings that further add to the sense of space. The adjoining kitchen is a gourmet delight, complete with stone benches, including a 900mm gas stove, 900mm oven and dishwasher, soft close drawers, plenty of cupboard space, plus an island breakfast bench. During the summer months, entertaining is certain to spill outside thanks to sliding doors that connect directly out onto a north facing decked area and yard featuring lush lawns. Adding to the home's convenience, you will be serviced by two master bedrooms on both levels of the property which include fitted walk-in-robos and ensuites, an upstairs retreat and study nook also accompanies the remaining two robed bedrooms plus the family bathroom with toilet. Continuing to impress, the home includes a powder room, laundry, stone benches and floor-to-ceiling tiles to bathrooms, landscaping, split system heating/air conditioning, LED downlights, high ceilings, double glazing, shed, plus a single car garage. Close to Marlborough Primary, Regency Park Primary, Templeton Primary, Heathmont College, Dandenong Creek Trail, JW Manson Reserve, Wantirna Mall, Knox Private Hospital, Bayswater Village, Buses, Bayswater Station, Westfield Knox and EastLink Freeway.
